If medication administration is necessary during school hours, this form must be completed before any representative of the school can administer prescription or non-prescription medications to your child. **Special Notes:**

1. **Prescription Medications must be in original container marked specifically for student, labeled by pharmacist or prescriber. Over the counter medications must be in the original unopened container with the manufacturer's label intact.**
2. **All homeopathic/herbal prescription AND non-prescription medicines require a parent <u>AND</u> authorized prescriber signature. In Maryland, an authorized prescriber is a physician, nurse practitioner, certified midwife, podiatrist, and physician assistant or dentist.**
3. **Medications are not to be transported by students. This is in violation of our Drug-Alcohol policy. Medication shall be returned to the parent/ responsible adult when the order or the medication has expired. Nurse should notify parent/guardian of medication which expires during the school year. Expired medication not collected by parent/guardian or designated responsible adult will be discarded within 7 calendar days. All medications not claimed at the end of the school year will be destroyed.**

*** (Maryland law allows prescription medication to be used only for 1 year beyond date of issue or expiration date indicated on the medication – whichever comes first.)**
