Welcome New Member,

The Hampstead Elementary School Parent Teacher Organization would like to formally welcome you to the HES community. We want you to know just how important our PTO is to Hampstead Elementary by sharing with you a few things the PTO does for the school.

We start off each year supporting our students with purchasing scholastic materials for the kindergarteners, first, second, and third graders, while we provide agendas to the third through fifth graders. We purchase needed licenses for our students to give them the opportunity to use Razkids. We help support our teachers with start-up money to get their classrooms ready for our students as well as team funds to be shared and used in each grade level. This money often gets used for things like field trips or 5<sup>th</sup> grade t-shirts. When the school needs something, we do our best to help them fulfill their needs. Several new projectors have been purchased for classrooms as well as a new shed for the facilities team to store necessary items to keep the school in top condition and running smoothly. We host multiple events throughout the year such as Family Fun Night, the Talent Show, Flea Market, Family Dance, a Fun Run, the Mobile Science Lab and much, much more.

As you can see, the PTO is important to our school community, and you are important to the PTO. Thank you again for becoming a member. If you would like to get more involved with the PTO, please feel free to contact an officer. We are looking for all kinds of volunteers to help with fundraisers and events. We look forward to seeing and working with you during your time here at HES.

**Mark Your Calendars:** Meetings are every **THIRD Tuesday** of the month. We are trying hard to keep the meetings no longer than an hour and a half. Meetings will be offered in-person with a virtual option. Free childcare is provided by ABC Care during meetings!
